

responsible for Battle Group operations, through his opportunity to establish in Washington, DC, an office of Director of Tactical Readiness. In that position he was the first Admiral to be completely responsible for Naval Warfare Doctrine, the tactical training of Fleet Commanders and Battle Group Commanders, and the Assessment of Warfare Readiness.

Rear Admiral Allen E. Hill has been awarded over fifty personal combat decorations, including the Distinguished Service Medal, Four Distinguished Flying Crosses, the Purple Heart, three Legion of Merit awards, the Korean War Presidential Commendation, two Bronze Stars with "V" clasps for valor in combat and many others.

Mr. Speaker, it is with pride that I bring the story of these two men to my colleagues. The Mission Inn Fliers' Wall recognizes the role aviation has had in America's fight for freedom and democracy. To Lt. General William Pitts and Rear Admiral Allen Hill I would like to say "God Bless You" and "God Bless America"—without them, and all of our service men and women, America would not be the strong and healthy democracy it is today.

A SPECIAL TRIBUTE TO WILLIAM D. HOOPER, D.D.S. FOR HIS DEDICATED SERVICE TO COLUMBUS, OHIO

HON. PAUL E. GILLMOR

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Saturday, January 6, 2001

Mr. GILLMOR. Mr. Speaker, it is with great pride that I today pay special tribute to an outstanding individual from the State of Ohio. Dr. William D. Hooper, a general dentist, is celebrating more than twenty-five years of distinguished service to his community in Columbus, OH.

Dr. Hooper, originally a Tennessee native, attended Lambuth College prior to entering the University of Tennessee, College of Dentistry. After graduation, he served the North Carolina Department of Human Resources as a practicing dentist. In 1975, he moved to the Columbus area where he has resided ever since.

Setting up his practice more than 25 years ago in Upper Arlington, Dr. Hooper and his staff have embodied the practice's motto, "Excellence by Choice." Dr. Hooper has constantly sought to hone his skills at the prestigious L.D. Pankey Institute for Dental Education. Throughout his career, Dr. Hooper has trained under some of the most recognized names in dentistry, such as Dr. Frank Spear of Seattle, WA, Dr. Peter Dawson of St. Petersburg, FL, and Dr. Mark Piper also of St. Petersburg, FL. He has mastered many techniques in cosmetic dentistry as well as focused on determining the many causes of Temporal Mandibular Joint Dysfunction and how to treat the problems associated with it.

Mr. Speaker, Dr. Hooper's dedication and service have earned him the highest regard for his character and abilities as a dentist. At this time, I would ask my colleagues of the 107th Congress to join me in paying special tribute to Dr. William D. Hooper. His professionalism and service to his community are an

example for all citizens of Ohio and across the country. We thank him, and wish him the very best in all of his future endeavors.

VOTING DISENFRANCHISEMENT

HON. DONNA M. CHRISTENSEN

OF THE VIRGIN ISLANDS

IN THE HOUSE OF REPRESENTATIVES

Saturday, January 6, 2001

Mrs. CHRISTENSEN. Mr. Speaker, today this body meets in a joint session to certify the Electoral College votes for the 43rd President of our nation.

As an African American, a member of a "so called" minority and a person of Caribbean descent, while I accept the decision of the Supreme Court and will also accept the results of this process today, I do so with a strong resolve born out of the hurt and disappointment in the events of the past two months.

The disenfranchisement of many citizens of our country whose legally cast votes were not counted has left a dark cloud over the country—a cloud which will not easily clear with the inauguration and the administering of the oath of office. We cannot turn back the hands of time, however, nor change what is past. But we can determine to shape and direct our future.

And so I pledge to work with my colleagues in the Congressional Black Caucus, other members of Congress and national leaders to put in place whatever policies and introduce and support whatever legislation which will ensure that a travesty such as this never happens again. We must commit ourselves to restoring the integrity of the election process in this country.

As we return to work later this month, we must include among our first priority items addressing the many unmet needs in the Territories, in other districts of color, in our rural areas and poor communities.

The Congressional Black Caucus have in the past been referred to as the "conscience of the Congress" and the "Fairness Cops of the Nation." As such, we will take the lead on these issues on behalf of those we proudly represent. It is incumbent on all of us though—the president-elect and his Cabinet, as well as the leadership in Congress—to be our full partners in this effort to lift up all Americans and make sure that no one is left behind.

We have the wherewithal to do it, now as never before. A time of plenty like this is not promised again. And so, if not now, when!! And if not us, who!!

Let us seize this time to make America the great country it is destined to be.

HONORING HARRY E. JOHNSON, SR.

HON. KEN BENTSEN

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Saturday, January 6, 2001

Mr. BENTSEN. Mr. Speaker, I honor today my fellow Texan Harry E. Johnson, Sr. for his

upcoming inauguration as the 31st General President of Alpha Phi Alpha Fraternity, Inc. in Houston, Texas, January 12–14, 2001.

It is fitting that as the world focuses on the election of the first American President for the 21st Century, Alpha members direct their time and attention to welcoming General President-Elect Johnson as a rising community leader. Throughout his career—and, as a loving husband to Karen and father to their children Jennifer, Harry Jr., and Nicholas—Harry Johnson has exemplified and advanced the Alpha Phi Alpha motto . . . "manly deeds, scholarship and love for all mankind."

General President-Elect Johnson, a native of St. Louis, Missouri, was elected to the position of General President after serving as the fraternity's Legal Counsel, Johnson practices law in Houston and serves as adjunct professor of Law at Texas Southern University's Thurgood Marshall School of Law. Honoring the legacy of past presidents, Johnson plans to fulfill many of the commitments started by his predecessors, including building a national memorial to Dr. Martin Luther King Jr. Alpha Phi Alpha was given the sole authority by the United States Congress to design and build a memorial to Dr. King. The winning design was unveiled during this past September's Congressional Black Caucus meeting in Washington, D.C. Johnson has made it clear that he will not waver from the fraternity's commitment to stand in the forefront of the civil rights movement. The national memorial to Dr. King for which Johnson is working to bring to fruition is a symbol of that commitment.

Included in Johnson's agenda for the next four years is an Economic Development plan that will allow Alpha Phi Alpha members the opportunity to infuse their local economies by bringing in National franchise into inner cities. He will also continue planning for the Centennial Celebration of the fraternity's founding. Rich with history, Alpha Phi Alpha Fraternity, Inc. is the first intercollegiate Greek-letter fraternity founded for African-Americans. In 1906, the fraternity's founders had two motives in starting the organization: empowering African-Americans through their continuance of their education and promoting fellowship and unity among college men in their continuous fight for African-American civil rights. Among those who have led the fight are distinguished Alpha Phi Alpha members such as W.E.B. DuBois, Adam Clayton Powell, Jr., Edward Brooke, Martin Luther King, Jr., Thurgood Marshall, Andrew Young, William Gray, Paul Robeson, and many others.

The inaugural event Harry Johnson is hosting in Houston sets the stage for a continuation of Alpha's dedication to public service. The theme for this unprecedented event, "Commitment, Excellence & Achievement . . . A New Generation of Leadership," will help Alpha Phi Alpha Fraternity to move forward with vigor, dedication and vision.

Mr. Speaker, Harry Johnson believes that regardless of our socio-economic backgrounds, in some capacity, we are all affected by the hardships that institutionalized racism has placed on African-American men. As the new General President of Alpha Phi Alpha, his commitment to education and mentorship will serve the communities of his fraternity well. I congratulate Alpha Phi Alpha and my fellow Texan and friend, Harry E. Johnson, Sr.
